GIVING BACK

David
Suzuki
Foundation

www.davidsuzuki.org

Nature is our home. And just as we take care of our house, we also must take care of nature.

Unfortunately, with six billion of us now living under one roof, we are gradually eroding the services nature provides – even though we depend on them for our quality of life and our future.

Since 1990, the David Suzuki Foundation has worked to find ways for society to live in balance with the natural world that sustains us. Focusing on four program areas – oceans and sustainable fishing, forests and wild lands, climate change and clean energy, and the web of life - the Foundation uses science and education to promote solutions that help conserve nature.

INDEX

DEFINITIONS

Points. Each product has a point value assigned to it.

Personal Volume or PV is the total of the points of all the products purchased by a Member during a calendar month. PV is reset to ZERO at the beginning of each calendar month.

Group Volume or GV is the total of a Member's PV and the PV of all the Members in their Downline organisation. GV is reset to ZERO at the beginning of each calendar month.

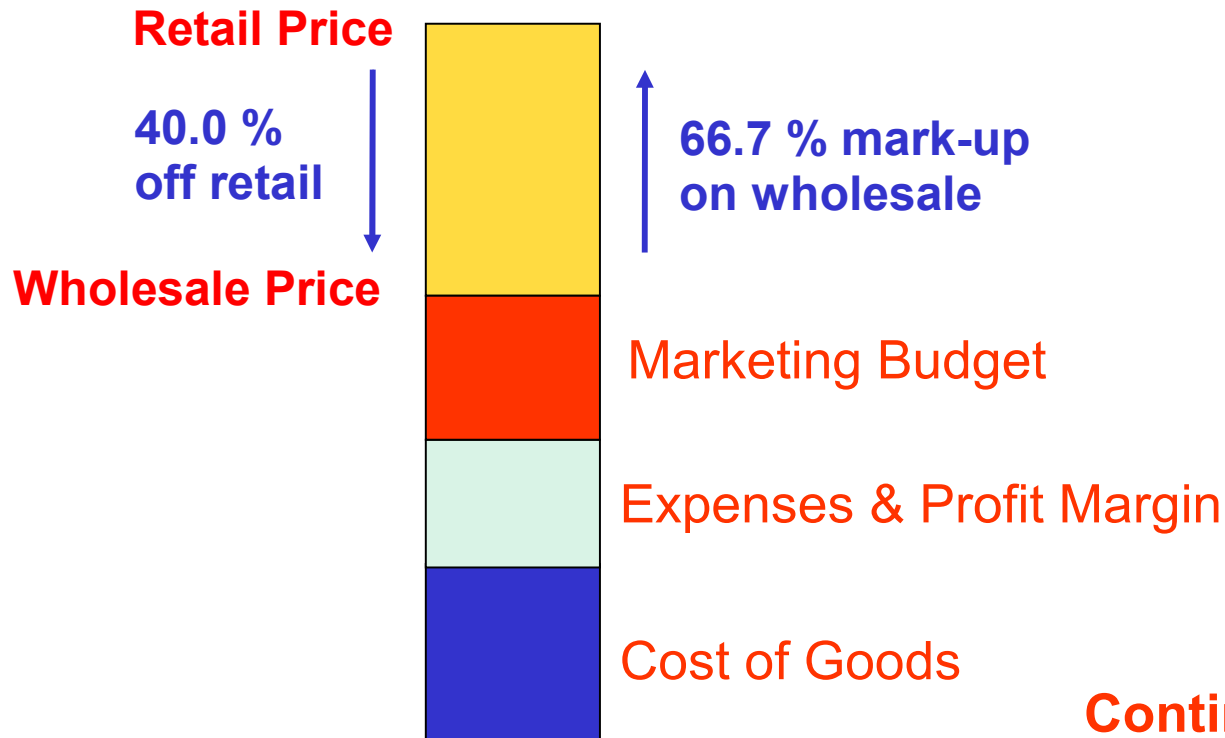

Active Representative. To be eligible to receive bonuses, Representatives must have a PV of at least 50 Points (approx. \$80 (£45) depending on the products ordered) during a calendar month.

Bonus Value or BV is the value in US Dollars assigned to each product for bonuses. If a Representative is entitled to 25% of an order whose BV is 60, the Representative would be entitled to a bonus of US\$15.00.

BONUS VALUE

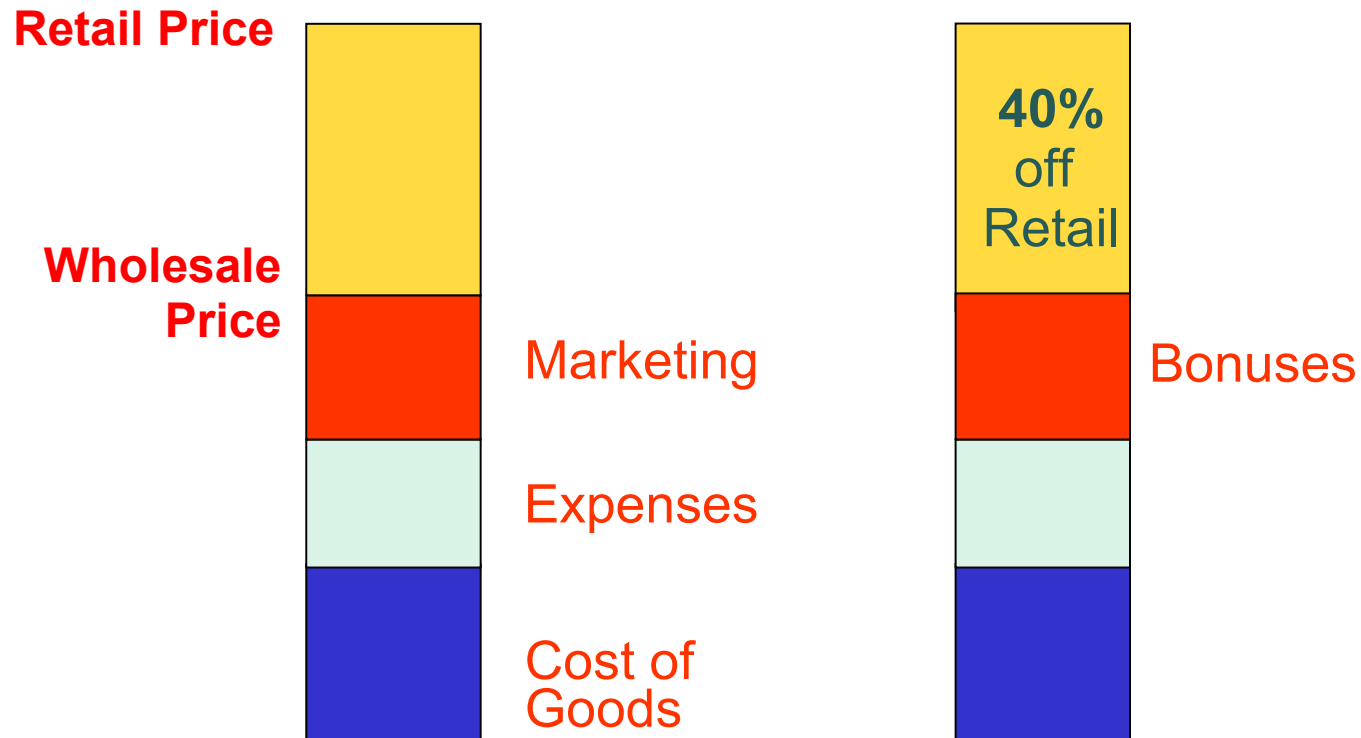

A traditional manufacturer establishes a competitive wholesale price to allow for a 66.7% mark-up. In other words, the retail price less 40.0% equals the wholesale price. If you take away the cost of goods, expenses and a profit margin, you are left with an amount for marketing.

AUTOSHIP or BUSINESS PROTECTION

Autoship or Business Protection is an easy way to ensure that a Membership is active and eligible to receive all bonuses. ONE Group has made a point of keeping the cost of products at a competitive level while ensuring monthly requirements are not excessive. Consequently, the monthly commitment is just 50 Points, which equates to around \$80.00 AUD (£40) depending on the products ordered.

The standard Autoship or Business Protection order is 2 x In-Liven. However, the content of an Autoship or Business Protection order may be changed by the Representative in the Member's Area of the website up until 3 days before the Autoship or Business Protection order is due to be run on the computer.

Continue

AUTOSHIP or BUSINESS PROTECTION

Autoship and Business Protection are only available to Representatives.

Autoship. By signing for Autoship, the Member is committing to a regular monthly order, which starts the month after they join. The monthly order will be sent out on the 5th, 10th, 15th or the 20th of each calendar month, depending on the date of their joining.

A Representative receives 20% off the retail price of orders from 50PV – 99PV and 30% off the retail price of 100 PV + orders as long as those orders are placed at least 30 days after joining.

Autoship orders are sent out regardless of the ordering activity by the Representative during the month.

Continue

AUTOSHIP or BUSINESS PROTECTION

Autoship and Business Protection are only available to Representatives.

Business Protection. A Representative who has signed up for Business Protection, receives 20% off the retail price of orders from 50PV – 99PV and 30% off the retail price of orders of 100 PV + as long as those orders are placed at least 30 days after joining.

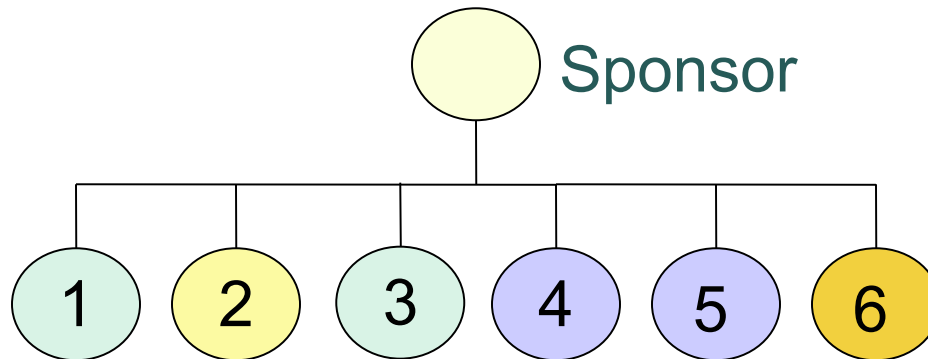

By signing for Business Protection, a Representative is committing to receive a standing order of at least 50 PV on the 25th of every month unless 50PV of orders are placed prior to the 22nd of the month.

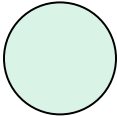

INDEX

SPONSOR TREE

When a Representative sponsors (introduces) a new Customer, Retailer or Representative to the Company, that new Member will always be placed front-line on the Sponsor Tree.

Customers are **ONLY** placed front-line on the Sponsor Tree so their orders always count for Sponsor Bonuses.

INDEX

RETIREMENT TREE

As well as being front-line on the Sponsor Tree, a new Representative or Retailer will also be placed front-line on the sponsoring Representative's Retirement Tree.

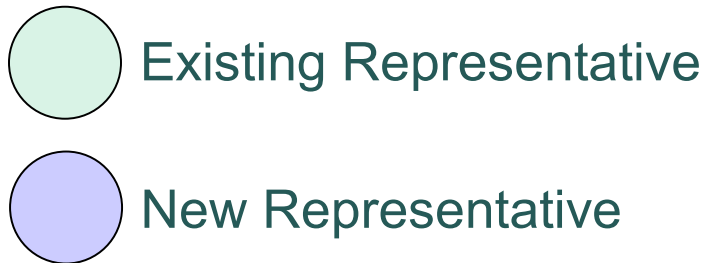

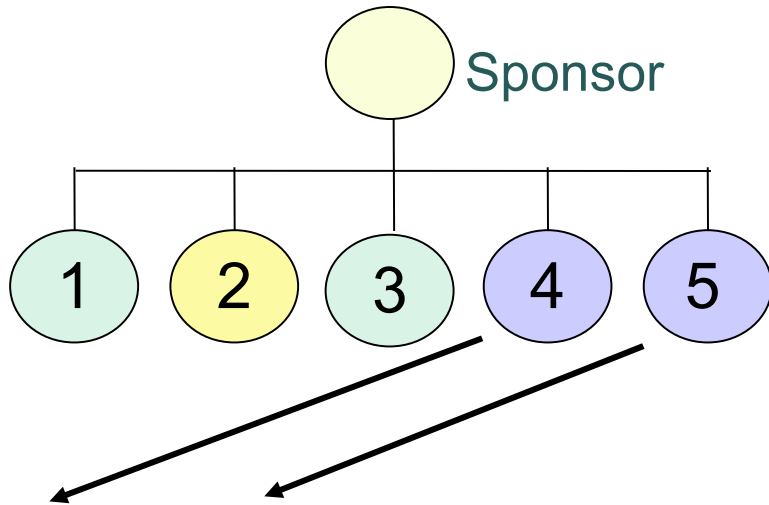

A Representative only has to build 3 Teams in the Retirement Tree to reach the top rank in the Compensation Plan.

Once a new Representative or Retailer has been placed front-line on the Retirement Tree, the sponsoring Representative will receive an e-mail from the Company giving them 30 days to move the new Representative or Retailer to an existing Team. If the new Representative or Retailer is not moved within the 30-day period, they will remain front-line to the sponsoring Representative in the Retirement Tree.

CUSTOMER BONUS

A Customer Bonus of 30% of the retail value of initial orders (up to 20% on subsequent orders) by Preferred Customers will be paid to the Sponsoring Representative. Sponsor Bonuses will be paid upline from there, based on the BV of a 30% discount order.

The Customer Bonus is paid daily.

RETAIL BONUS

A Retail Bonus of US\$50 will be paid to an active Representative who has sponsored a retail outlet if the Retail Outlet places a fast start order of a minimum of 250PV within the first month. The Representative will receive a 5% bonus on subsequent orders from the retail outlet they have sponsored. Normal Retirement Bonuses will be paid based on the BV of a 50% discount order. If the Sponsoring Representative is not active, no Retail Bonus will be paid and the Retirement Bonuses will be based on a 40% discount order.

e.g. A shop that joined 3 months ago, places an order for \$2,400 (£1,200) (retail value). The shop pays \$2,400 (£1,200) less 40% = \$1440 (£720). The Representative who has the allocation receives a Retail Bonus of \$120 (£60) (5% of the retail value).

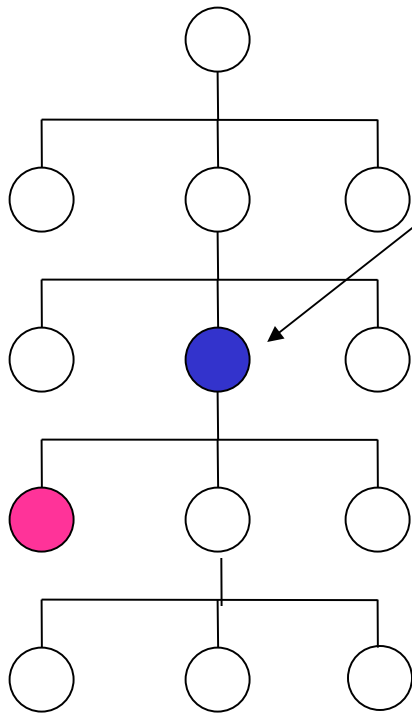

Retail Bonuses are generated with the Retirement Bonuses and becomes 'cleared funds' as soon as the order has been paid for.

There is no Retail Bonus paid on orders over \$7,500 (£3,750).

BUILDER'S BONUS

15% of the BV, generated through the Sponsor Tree, worldwide, is allocated to the Builder's Bonus. Active Representatives receive US \$50.00 for every Representative they sponsor who order a minimum of 250 PV in the **same calendar month**.

The Builder's Bonus is run daily and will clear after 15 days.

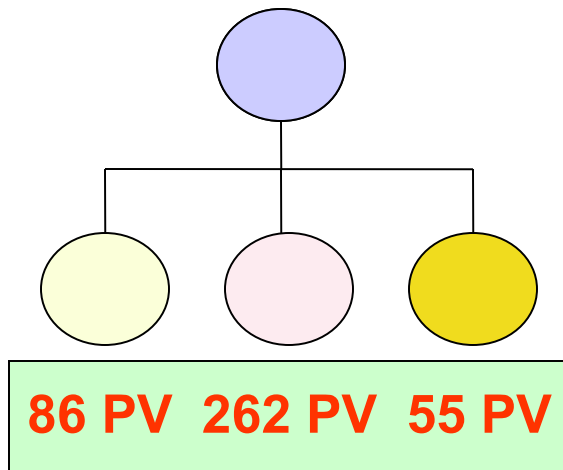

To qualify, the new Representative must join and place a 250 + PV order in the same calendar month

INDEX

LOYALTY BONUS

19% of worldwide Retirement BV is allocated to the Loyalty Bonus. Active Representatives, on Autoship or Business Protection, receive US \$70.00 each month they have 3 personally sponsored Representatives on at least 50 PV Autoship or BP and who have been with ONE Group for more than 30 days.

There are no limits to the number of shares a Representative may receive each month. The Loyalty Bonus is paid on the 16th day of the following month.

Hypothetical Example

If a Representative has 9 personally sponsored Representatives on BP or AS they will receive US \$210.00 (3 shares)

EXECUTIVE POOLS

In addition to the Retirement Bonuses, **Active** Executives, Managing Executives & Senior Executives will receive a share of the Executive Pool.

The Executive Pools are paid on the 16th day of the following month.

Qualified Executives, Managing Executives and Senior Executives will receive 1 share of 7% of worldwide Retirement BV.

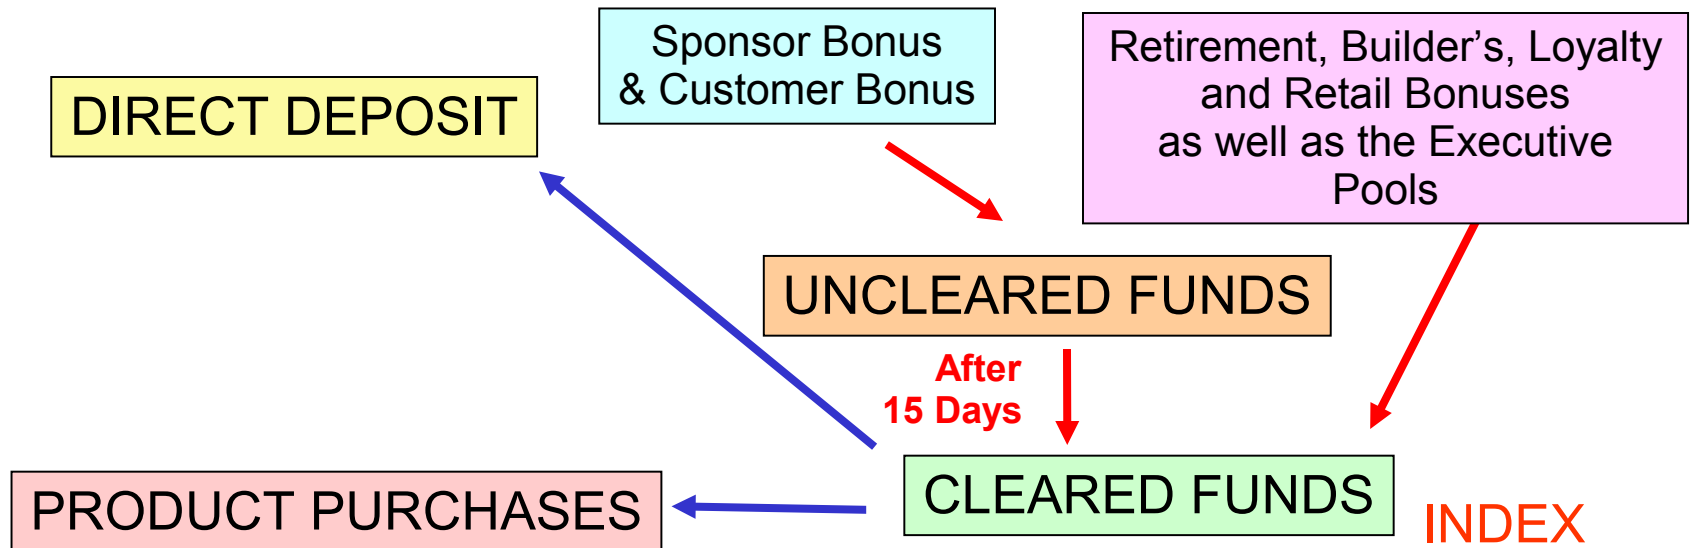

Qualified Managing Executives and Senior Executives will receive 1 share of 5% of worldwide Retirement BV.

Qualified Senior Executives will receive 1 share of 3% of worldwide Retirement BV.

INDEX

BONUS PAYOUT

Sponsor Bonuses, as well as **Customer Bonuses** are run on a daily basis. However, because there is a 15-day money-back guarantee on product orders, the bonuses will only appear in the Member's **"UNCLEARED FUNDS"** account. Once the 15-day guarantee period has lapsed, funds will be moved into the Member's **CLEARED FUNDS** account where they will have immediate access to their money. **All other bonuses, including Pools**, are run on the 16th of the following month, so the funds will go straight into their **CLEARED FUNDS** Account.

PROMOTION

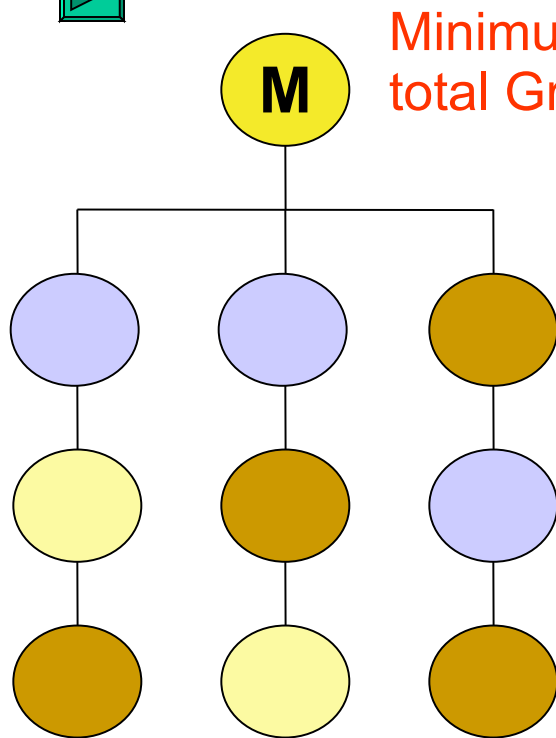

Bonuses are paid to active Representatives according to their rank. Ranks are based on the number of active personally sponsored Representatives, their own Group Volume as well as the Group Volume of the Teams in their Retirement Tree.

Once promoted, a Representative will always keep their rank, however they will only be paid bonuses at the rank they are qualified for. In other words, if a Representative attained the rank of Executive in March, but only qualified at Manager in May, they will still be called an Executive, but will be paid as a Manager.

If you choose to commit to either Autoship or Business Protection, a **completed Credit Card Authorisation Form must be forwarded to ONE Group.**
